Monitors:

We use own in-ear system Senheiser including own in ear mixer soundcraft Ui. Drummer uses monitor.

Comments:

- **drummer plays samples to some songs - 2nd guitar, synthesizers, etc. - their level should be paid to attention!**
- **the group has its own microphone stands**
- **min. dimensions of stage is 6x 4 m**
- **the stage must be covered in the entire area**
- **drumer's stage min.3 x 2 x 0,3 m**

- guitar - sound comes from two different mic and two different speakers- see input list

- bass - clean sound of bass comes from line, slightly distorted sound comes from mic- see input list

Splitter for connecting vocals, guitar by two mic, bass by link and microphone and sampler L+ R
